### Inclusion

ensuring everyone is truly welcomed, valued, and respected regardless of perceived differences.

### Professionalism

behaving appropriately for the environment and audience, ensuring you take individual responsibility when representing yourself and your firm in an upstanding way.

### Our Commitment

RDAS are committed to these behaviours for the safety and standards of our member community. Any behaviour deemed not in line with the Code of Conduct will be taken very seriously.

The continued success of our events and culture as a Networking Forum depends on the conduct of the individual.

We thank you in advance for your support and integrity.
